## STALLION SERVICE INFORMATION

We are honored and ecstatic that you have decided to include a Potter Ranch stallion in your 2017 breeding program and we look forward to having the opportunity to serve you. Please keep in mind that a stallion's book is filled on the basis of those booking fees received first. Returning the completed breeder's contract with your booking fee and a copy of your mare's papers will help ensure your place in the stallion's book for 2017.

PC Frenchmans Hayday will be standing with a limited book in 2017. Mares booking to him must submit as much information as possible to be approved for this breeding.

A properly executed contract and a copy of the mare's registration papers must be on file before ordering semen. Please make every effort to order semen the DAY BEFORE you need shipment. Shipment requests will be filled in the order received. We must be notified before **10:00 a.m. Arizona Time on the day of shipment**. We can ship semen ONLY on breeding days. **2017 collection dates will Mondays, Wednesdays and Fridays starting February 11 and going through July 1st. To order semen, please contact the Potter Ranch Breeding Manager, Jo Lynn at 520-906-9133.**

The entire stallion fee and shipping charges must be paid prior to semen shipment. There will be a \$200 fee for each semen shipment sent via FedEx (The first shipment is included in PC Frenchmans Haydays 2017 stud fee). This fee covers the cost of one collection and one shipment to you; return shipping fees are at your expense. We ask that you return the box semen is shipped in promptly; excessive delay could result in a fee for rental charges. Failure to return the shipping box will result in charges for the item. We accept checks or Visa or MasterCard payment. Please note that all credit card payments will be charged a 2.5% bank fee.

**SEMEN WILL BE SHIPPED VIA FedEx; CORRECT PHYSICAL ADDRESS IS MANDATORY. WE WILL NOT BE RESPONSIBLE FOR UNDELIVERABLE SHIPMENTS.** If requesting semen on a Friday, please be aware of whether or not your address offers FedEx priority overnight Saturday delivery. If not, please have an address ready where the shipment can be sent for Saturday pick-up.

Please notify us if a pregnancy resulted from the shipment in order to be placed on the stallion's AQHA breeding report. Your mare will NOT be placed on the stallion breeder's report without confirmation of a pregnancy. Breeder's certificates will only be sent once you notify the ranch of a live foal. For questions regarding contracts or payment, please contact the Breeding Manager at 520-906-9133 or at the Ranch Office at 520-205-0947.

## Cooled Transported Semen Policy

**BREEDING OF THE MARE BY COOLED TRANSPORTED SEMEN.** The Mare Owner is responsible for all facets of breeding the Mare and agrees to comply with all related breed association requirements concerning the use and handling of cooled semen. The Mare Owner agrees to use his/her best efforts to perform the insemination procedure within 24 hours, but not more than 48 hours after collection of semen from the Stallion. The Mare Owner agrees that an individual who is qualified and experienced in the use and handling of cooled semen will perform the insemination. The Mare Owner agrees to use all cooled semen provided by this Agreement for the Mare named in this contract and no other. **THE STALLION MANAGER MAKES NO WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, WITH RESPECT TO COOLED SEMEN, INCLUDING, WITHOUT LIMITATION, THE WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. THE STALLION MANAGER MAKES NO GUARANTEE OF DELIVERY WITHIN A CERTAIN TIME PERIOD AND MAKES NO GUARANTEE THAT THE COOLED SEMEN WILL SAFELY REACH THE INSEMINATION POINT WITHOUT LOSING INTEGRITY, QUALITY, OR CHARACTERISTICS.**

**EMBRYO TRANSFERS.** If more than one embryo is produced from a Stallion breeding under this Agreement and if multiple embryos are transferred, then the Mare Owner must notify the Stallion Manager within 48 hours of transfer of the embryo(s). If embryo transfers result in multiple pregnancies, then the Mare Owner must pay the Stallion Manager the Stallion Service Fee for EACH pregnancy before ANY breeder's certificates will be issued.

**LIVE FOAL GUARANTEE.** If the mare fails to produce a live foal from the breeding privilege granted by this Agreement, the Mare Owner may rebreed the Mare (or a substitute mare mutually agreed upon by the Mare Owner and the Stallion Manager) during the SUBSEQUENT breeding season. If the breeding is not used in the subsequent breeding season, the Mare Owner forfeits the right to the breeding. The Mare Owner may not assign this breeding contract or substitute any other mare for the Mare under this Agreement without the prior written consent of the Stallion Manager. Any attempted assignment without the prior consent of the Stallion Manager, will, at the option of the Stallion Manager, terminate this Agreement and release the Stallion Manager from all obligations hereunder. "LIVE FOAL" means that the foal resulting from the breeding stands and nurses without assistance and lives for 24 hours. This return breeding privilege is conditioned upon the Mare Owner giving the Stallion Manager written notice within 7 days after foaling or aborting that the Mare did not produce a live foal. This notice must be accompanied by a certificate from the attending veterinarian that no live foal was born.

A "Breeder's Certificate" will be issued for the foal conceived by the mating when stallion fees and all other expenses have been paid in full. The Mare Owner will only receive a Breeder's Certificate when the Animal Records Manager has been notified that a live foal has been produced.

**THE LIVE FOAL GUARANTEE IN THIS CONTRACT IS NON-TRANSFERABLE AND NON-ASSIGNABLE** and should the Mare be sold or otherwise disposed of prior to the birth of the foal, the live foal guarantee granted shall be void. However, the Stallion Manager may, at his discretion, upon application and payment of a new booking fee, continue to honor the live foal guarantee granted to the original owner. In the event that the Stallion Manager agrees to the transfer of assignment of the "live foal guarantee" rights, under the terms of this contract, then the new owner agrees to be bound by all terms and conditions hereof, insofar as the same may then be applicable.
